Date // **6 Dec 2024**

Time // **10:00-11:30 AST**

Location // Blue Zone,
Restoration Pavilion

This panel session will spotlight the role of parliamentarians in championing land restoration within national policies to support sustainable development and economic resilience. Esteemed members of the Global Changemaker Academy for Parliamentarians (G-CAP) come together to share insights, opportunities and initiatives. By prioritizing land restoration, parliamentarians can unlock vast opportunities for youth and stakeholders, fostering economic growth, job creation and environmental stewardship in their countries.
