

# My Career Path: If I were a GenZeer

Dr. Musonda Mumba

Date // **2 Dec 2024**  
Time // **17:00-17:30 AST**  
Location // Blue Zone,  
Restoration Pavilion

Dr Mumba is the Secretary General of the Convention on Wetlands and is a Zambian-born environmentalist with over 25 years of global experience in environmental management and Sustainable Development. Previously, she worked at the United Nations Development Programme (UNDP), where she served as the Director for the Rome Centre for Sustainable Development. Prior to joining UNDP, Dr. Mumba worked at the global headquarters of the UN Environment Programme (UNEP) for 12 years in different functions, including as Head of the UNEP Terrestrial Ecosystems Programme for the agency. Dr. Mumba holds a PhD in Wetland Hydrology and Conservation from University College London (UCL), a Bachelor of Science Degree from the University of Zambia and has published extensively in scientific journals and as a contributor to book chapters and in news media. She is an Honorary Senior Research Associate at UCL.
