Date // **6 Dec 2024**

Time // **11:30-13:00 AST**

Location // Blue Zone,
Restoration Pavilion

This session will celebrate the powerful role of women in land restoration and sustainable agriculture, highlighting their resilience, leadership and unique contributions. Through a storytelling “Goldfish Bowl” format, panelists will share personal journeys that showcase women’s impact on sustainable land management, from agroforestry to organic farming. The discussion will explore the challenges they face and the innovative solutions they bring, inspiring a more gender-inclusive approach to address critical environmental issues.
