

# How are young visionaries rewriting the future of Africa's landscapes?

SCIENCE, TECHNOLOGY,  
& INNOVATION DAY

© D. Moore/Greenstorm/UNCCD G20 GLI

Date // **9 Dec 2024**  
Time // **9:00-10:00 AST**  
Location // **Blue Zone,  
Restoration Pavilion**

Start your day with something different! Step into an energizing and inspiring space to celebrate youth-driven visions for restoring Africa's landscapes. Hear insights from landscape leaders and grassroots innovators across Africa, showcasing successful restoration stories, pressing challenges, and bold solutions from recent regional consultations. Dive into an engaging discussion with diverse voices and explore paths to a sustainable, resilient future for Africa's ecosystems.
