Step into a world where cutting-edge technology meets environmental stewardship. Explore pioneering solutions that are reshaping agriculture, restoring landscapes, and empowering communities towards a sustainable tomorrow.

Daniel Pacurar
Boreal Orchards (R) AB

Boreal Orchards (R) AB pioneers plant cultivation tech for restoring **post-mining landscapes and degraded areas**. Their large-scale moss growth tech aids in ecological restoration worldwide.

Chimegsaikhan Munkhbaya
Nomads Agritech Innovations

Nomads Agritech Innovations is developing **an app** to help rural farmers adopt sustainable practices, reduce land degradation, lower GHG emissions, and access green financing.

Lilan Dayananda
Elzian Agro

ELZIAN AGRO offers climate-smart precision agriculture solutions with **IoT devices** for real-time monitoring. Empowering farmers to optimize yields sustainably and profitably.

Sara Meush
AtkinsRéalis

Sara Meush is a landscape architect with 10 years of experience. For 4 years, she has designed **Miyawaki Forests in the Middle East**, focusing on large-scale projects supporting Riyadh's 2030 vision.
