

Nature works – skilling and upskilling in nature-based solutions

© Viator

Date // **4 Dec 2024**

Time // **14:00-15:30 AST**

Location // Blue Zone,
Restoration Pavilion

This session explores how Nature-based Solutions (NbS) can combat land degradation, desertification and climate change while driving job creation. Emphasizing the need for skilling, reskilling and upskilling, especially for youth and women, the discussion will highlight the potential of NbS investments to generate green jobs. Participants will engage in group exercises to identify essential skills for future green jobs, fostering an inclusive approach to sustainable development.
