Date // **11 Dec 2024**
Time // **18:00-18:30 AST**
Location // Blue Zone,
Restoration Pavilion

Restor and the G20 Global Land Initiative Coordination Office of the United Nations Convention to Combat Desertification (UNCCD) have partnered to host an awards competition called RestorLife Awards. Starting this year, the awards will be hosted on the Restor platform, the largest network of community-led restoration and conservation efforts across the globe, the RestorLife Awards recognize and support outstanding achievements of nature stewards in their nature restoration journey that contribute to a fair and sustainable future for all. Join the Launch of RestorLife Awards!
