Location // Blue Zone,
Restoration Pavilion

Join us for an engaging fireside chat with 5 participants of the Youth Ecopreneur Programme 2024 (YECO). These young ecopreneurs will be in the hot seat, answering rapidfire questions about their journeys in land restoration and sustainable business practices. YECO is a program by the G20 Global Land Initiative and the International Trade Center, empowering young ecopreneurs who are venturing into land-related businesses. Be prepared for insightful responses and lively interactions that will inspire and inform everyone in attendance!
