

THE GLOBAL CHANGEMAKER ACADEMY FOR PARLIAMENTARIANS (G-CAP)

25 - 29 AUGUST 2025

BONN, GERMANY

CALL FOR APPLICATIONS

The Third Global Changemaker Academy for Parliamentarians (G-CAP) is an exclusive 5-day in-person leadership academy that brings 30 selected parliamentarians from around the world to come together to explore the criticality of land restoration agenda both globally and within their national and local contexts.

At G-CAP, we believe that collaboration is key to driving meaningful change. Together, in this leadership academy we will dive deep into the challenges and opportunities presented by land restoration, sharing insights and fostering innovative approaches.

G-CAP OVERVIEW

Over five days in Bonn, Germany, the parliamentarians will engage in **masterclasses, legislation workshops, communication and advocacy labs**, and an insightful **field visit** focused on sustainable land restoration. Parliamentarians will have the opportunity to exchange experiences, challenges, and successes in a supportive environment that encourages open dialogue. Parliamentarians will collaborate with renowned land experts and senior leaders from the United Nations to explore their contextual experiences and craft targeted solutions to legislate and advocate for land restoration.

G-CAP is open to current parliamentarians serving in national parliaments around the world. All expenses, including travel and accommodation, will be covered by the United Nations.
